Frequently asked questions

What happens next?

Upon receipt of the fax, we will contact our local specialist physicians who will review the patient and provide a script appropriately.

Who calls the patient?

A staff member will contact the patient to arrange a time to present at the hospital.

What does it cost?

The cost of the iron infusion is \$200 which is paid by the patient on the day of admission.

How long does it take?

Total time in hospital is approximately three hours.

Can I bring someone with me?

Yes, we usually welcome one support person, however we do not recommend bringing young children into a clinical environment if you are their carer.

Please call the staff if you have queries regarding support as the hospital visitor policy can change at short notice.
